## Access to cash services

Scan the QR code or visit [natwest.com/access-to-cash](https://natwest.com/access-to-cash) to find out all the ways to access cash services.

Please see Glossary on page 13 if you need any assistance with using QR Codes.

## **We're still here to help**

Even though your branch is closing, we are still here to help you. There are other ways you can do your everyday banking detailed on page 7. However, if you'd like to ask us anything or you need extra support, please get in touch with our dedicated Customer Support Specialists on **0131 380 6528**, (Relay UK **18001 0131 380 6528** or International **+44 131 380 6528**).

Remember there will be no change to customer account numbers, sort codes, standing orders, Direct Debits, cards, PINs or cheque books.

## **Braille, large print or audio format?**

If you'd like this guide in another format such as Braille, large print or audio format, call our Customer Support Specialists on **0131 380 6528**, (Relay UK **18001 0131 380 6528** or International **+44 131 380 6528**). Or talk to a colleague in branch. We can also help you with translation services if required.

## **What is Relay UK?**

Relay UK is a free service to help deaf people and those who have hearing loss or are speech impaired to communicate over the phone.

You can use the Relay UK app with your mobile, tablet or PC. Or just use Relay UK via your Minicom or Uniphone by dialling 18001 in front of the number that you want to call and you will be connected to an operator.

## **How can Banking My Way support me?**

Do you need additional support with banking because your circumstances have changed? For example, you may have had a change to your finances or have been diagnosed with a serious illness.

Banking My Way is a free service that allows you to record information about the support or adjustments you need to make banking easier.

## **How can I let you know about support I need?**

You can do this on the Mobile App, via Online Banking, by visiting a branch or calling our Customer Support Specialists.

## Customers who may need additional support with their banking

When customers need extra support, we will continue to provide this:

- our Customer Support Specialists will be making proactive telephone calls to customers over the coming weeks, providing bespoke support and advice with personalised solutions to ensure you can continue to bank in a way that suits you
- running a face-to-face event in branch for those who may prefer to speak to someone familiar
- ongoing support with using our digital services
- help in identifying the nearest Post Office and advice on what services can be accessed
- our Local Directors will be contacting relevant local organisations to advise them of the closure, working together to support customers and the local community following closure
- If you need further support or your circumstances have changed, please tell us by using our free service Banking My Way. Visit [natwest.com/accessibility/banking-my-way.html](https://natwest.com/accessibility/banking-my-way.html)

## How we will support you in the lead up to the branch closure

We will be running a Supporting you through our Branch Closure event that will provide:

- education on finding the right local banking services that will support you to bank with us once your branch closes
- an opportunity to talk to our experts to assist your understanding around the latest frauds and scams
- help and support with all the ways you can continue to bank with us.

## How we will support you once the branch has closed

We will introduce a community pop-up following closure that will be based in a community venue near to the closing branch. This service will be accessible for all and be available for up to 12 weeks, with a local colleague available to support with;

- face-to-face conversations around your banking needs
- support in setting up and using our digital services
- advice on how to protect yourself against fraud and scams.

It is a cashless service, however we will provide information on how you can use your local Post Office for cash based transactions.

In the upcoming weeks, you can find out more information about your community pop-up in branch or by visiting [natwest.com/bankingnearme#community](https://natwest.com/bankingnearme#community)

# The way we bank is changing

With the ease of mobile and online banking fewer people are coming into the bank. This means we've had to make some tough choices about which can stay open. So, we want to make sure that we keep the branches people are using most.

Across the bank we have seen.

Measurement in both graphs is millions

More than **798** million mobile and online transactions were processed between November 2023 and October 2024.

## Our responsibility to you

We completely understand that online banking isn't right for everyone. Sometimes you want to chat things through with someone. We promise that you'll still be able to talk to one of our team either on the phone, by video or in one of our other branches.

We've put together this leaflet to guide you through the changes, but if you've got any questions at all just ask one of our team.

They'll be on hand to help you find ways you can bank that best suit your needs. We're also here for anyone who'd like help in getting started with online banking or our app. As well as short, easy-to-follow How To videos, we run online classes over Zoom. You'll find everything you need to know on our website [natwest.com/onlinebanking](https://natwest.com/onlinebanking) (And there are some handy fraud and scam awareness tips too.)

We also have Customer Support Specialists that are dedicated to helping customers who need more support.

# How we decide to close a branch

Closing a branch is always difficult and not a decision that we ever take lightly. A branch closure decision involves us looking at several different criteria, including:

- the likely impact on customers. How often customers use the branch – and the transactions they're making.
- their banking preferences.
- where the nearest branch and nearest cash machines are.
- is there a local Post Office for everyday banking.
- all the other banking options: Online, Mobile, Telephone and Video Banking.
- nearby shared services like Banking Hubs and deposit machines.

# Protecting access to cash

We want to ensure access to cash is protected wherever we have customers. We work with LINK to carry out cash access assessments in places which might need better cash access services.

This means we ask LINK to conduct independent access to cash assessments whenever we close a branch or remove an ATM. LINK may also conduct assessments where cash services offered by other providers are removed or where they are requested by the local community.

If new cash services are recommended by LINK, we will work with our industry partners to protect access to cash in a community. This might include putting in a new ATM or Banking Hub.

Find out more about how LINK protects access to cash at [link.co.uk](http://link.co.uk)

# In Bishop Auckland, we saw:

Comparing October 2019 and October 2024, counter transactions for personal customers have decreased by 57%

76% of personal customers using the branch also chose to use Online Banking or our mobile app between November 2023 to October 2024.

• **216** personal customer(s) used the branch on average each month

• **136** business customer(s) used the branch on average each month.

Please see the Glossary on page 13 for personal/business monthly average and counter transaction definitions.

## Your opinion matters

That's why we're getting in touch with our customers and engaging with the local community to talk through our decision. We will update this factsheet with details of who we contacted, a summary of responses and any complaints. You'll be able to read the results at [natwest.com/branchclosures](https://natwest.com/branchclosures) by 15 April 2025.

Meanwhile, if you'd like to ask us anything or you need extra support, please get in touch with our dedicated Customer Support Specialists on **0131 380 6528** (Relay UK **18001 0131 380 6528**, International + **44 131 380 6528**).
